PDC CASE NUMBER 174875

Hello Ms. Townsend -

The C4 and C3 for May 2025 were filed on June 25, 2025. If you review our reporting history starting in October 2023 you will see that all reports have been filed in a timely manner the month following the receipt of contributions and/or expenditures. My apologies for being a few days late in reporting this past May.

I have uploaded a copy of the Helveticka invoice. Let me know if I need to ask the vendor for a further breakdown.

There is currently no firm plan/date in place for the next election. Therefore, the contributions being received have been reported under the 2024 election cycle. If we need to do something different please let me know. My plan is to transfer the funds to the new election when plans have been finalized. This is the same pattern that was followed by this organization in prior years and is consistent with guidance provided by the PDC when responding to the past complaint.

Please understand I am a volunteer treasurer for a small school district advocacy committee and therefore not an expert in PDC regulations. Regarding the debt disclosure I am uncertain how to respond. We were billed by Helveticka on February 29, 2024 and the invoice was paid on March 11, 2024. No quote was provided to the committee for the work prior to receipt of the February 29th invoice.
