Dear Public Disclosure Commission,

Thank you for your communication regarding the recent complaint about the amenities associated with our campaign kick-off on June 28, 2025.

After reviewing our records, we have amended our previous reports to accurately reflect the expenditures incurred for the event. These adjustments have been made to ensure full compliance with PDC guidelines, and the updated information has been submitted for your review.

We are committed to maintaining transparency and adhering to all regulatory requirements.

Thank you for your understanding, and please let us know if there is anything further required to resolve this matter.

Sincerely,

Josh Binda

Lynnwood City Council Vice President
