Dear Public Disclosure Commission,

Thank you for notifying me of the complaint submitted by Conner Edwards, identified as PDC Case Number 176180.

I take campaign compliance and transparency seriously and appreciate the opportunity to respond. I have reviewed the allegations and have taken the necessary steps to bring my campaign materials into full compliance.

As of today, the required sponsor identification has been added to my campaign website and to the referenced YouTube video. The website now clearly includes the "paid for by" statement and campaign mailing address in the footer, and the YouTube replacement video includes a visible sponsor ID. I will ensure that all future campaign materials continue to meet the guidelines outlined under RCW 42.17A.320.

I am also reviewing my contribution and expenditure reports to verify their accuracy and will make any necessary corrections or amendments if needed.

Please let me know if any additional information or action is required on my part. I appreciate your guidance and support in maintaining compliance.

Sincerely,

Jonathan Babcock
