Dear Connor,

I want to thank you for bringing this situation to our attention. We took action immediately and have provided the 7 and 21 day primary reports. We were not aware that we had missed a report until we received your complaint. We take full responsibility for this oversight. We are still learning the system.

Going forward I will make sure that we complete the primary post election as well as general 7 and 21 day reporting requirements and adhere to all of the requirements. I apologize to you, the PDC, the State of Washington and its people for this oversight.

Sincerely,

Nicole Grant.
