Complaint Description
<p>Snaclark reported via the portal <i>(Thu, 11 Sep 2025 at 10:58 AM)</i></p> <p>The "paid for" disclosure sticker seems very small, not meeting 10% rule and very hard to read. When looking up how old the signs are (ie when they were purchased), I find NO campaign expenditures at all (for anything!!!) for the past 5 election cycles. So--- how/when were the signs purchased?? In addition, now there are the additional "endorsed by police" stickers added. Which police? the Chief? the department? a police guild? the sheriff? Again- this seems misleading and not sure it is allowed?</p>
What impact does the alleged violation(s) have on the public?
Potentially misleading, and all candidates are supposed to follow the same sign and reporting rules to keep things fair.
