Tanya,

The following addresses Mr. Higgins complaint:

1. The print quantity of 5000 post cards is recorded.
2. The quantity of 200 signs and stakes is recorded.
3. Filing fees are recorded as in-kind contributions made by Cobi Clark (myself as the candidate)
4. The "paid-for" disclaimer is featured in 10-point font on my website
5. The "paid-for" disclaimer is featured in 10-point font on my donation page
6. The fees to the POS system (Squarespace) are reported properly, the public PDC page however lists them as "miscellaneous" because they are under \$200. Not sure how/if this needs to be fixed.
7. PO box expense is recorded as in-kind contributions made by Cobi Clark (myself as the candidate)

Please let me know if this is sufficient to satisfy the allegations made against me.

Thank you,

Cobi
