

BRINGING SUMNER TOGETHER | VOTE KENNA FOR CITY COUNCIL, POSITION 2

Hi neighbor, I'm Matthew Kenna. Seven years ago, my family chose Sumner as the place to raise our kids. Since then, our roots—and our love for this community — have only deepened. I've served you on the Parks Commission and joined the City Council in 2024. With experience in transportation, land use, growth management, and government relations, I'm focused on making thoughtful, long-term, community-centered decisions.

On the Council, I've championed safer sidewalks and bike lanes, preserving our roads before they fail, and supported sustainable growth. I work with City staff to keep Sumner safe and welcoming while expanding parks and green spaces, so every neighborhood has access. Together, we can keep Sumner thriving, connected, and ready for the future. I'd be honored to continue serving you and ask for your support this election.

Transportation and Mobility: Investing in safe, accessible roads, sidewalks, and bike lanes so everyone can move through our city safely.

Housing and Sustainable Growth: Encouraging responsible development that fits Sumner's character and meets community needs.

Parks, Open Spaces, and Youth: Expanding parks, green spaces, and youth programs that bring our communities together.

Collaboration and Community Engagement: Working closely with residents, City staff, and stakeholders to address challenges and opportunities.
