Additionally, in the photo from a parade you can see one of his supporters holding a sign while also wearing a t-shirt that has his campaign logo on it. There are no t shirt expenses listed on any of his reports as well. You can also see from the screen shot of his facebook post on July 16th that he states "It's Peter Kwon sign time! Let me know if you'd like a "Vote for Peter" sign for your yard!" He should have filed the sign expenses in his 21 day primary C4 or 7 day primary C4 report yet there are no expenses listed in any report his campaign has filed.</p>
