Complaint Description
<u>Sam Landi</u> reported via the portal <i>(Wed, 15 Oct 2025 at 4:12 PM)</i> Failure to timely & accurately report expenditures and to provide required complete sponsor identification on campaign advertising per RCW 42.17A.235, .240 & .320. Per PDC website . . . "In 2024, the PDC granted a one-time exemption to yard signs printed prior to the effective date of the law. However starting in 2025, all yard signs, regardless of when they were printed, must have sponsor ID. Older signs could be modified, for example, using stickers, but must have appropriate sponsor identification, or the sponsor could face PDC enforcement action." Hundreds of signs are seen around Renton with no sponsored identification. No expenditures or in-kind donations for signs or printed handout materials.
